Coconuts, large, each . . . 18c.

Shorthorn Club Field Day

On Wednesday, June 9th, the newly organized Shorthorn Club for Central Alberta, held its first Field Day. This was quite a change from the regular Field Day, as in place of assembling at one point and listening to a number of addresses, it was decided to visit 8 of the best Shorthorn herds in the district. This proved to be a very decided success. Visitors were present from Calgary and Edmonton, and many interesting points. From Calgary, Mr. W. L. Carlyle, Manager of the Prince of Wales Ranch; Mr. McMaster, Secretary of the Provincial Shorthorn Breeders' Association; Mr. J. W. Durno, Field Man in Alberta and British Columbia for the Dominion Shorthorn Breeders Association, were present. Other visitors from the south were Mr. Alex McDougall, of Champion, Vice-President Provincial Shorthorn Breeders; E. J. C. Cooke, President Acme Shorthorn Club, and J. Charles Yule, of Carstairs. Among the visitors from Edmonton were Angus McDougall, President Northern Alberta Shorthorn Club; Dean Brown and Professor Sackville of the University; P. W. Abbott of the Edmonton Exhibition and H. A. Craig, Deputy Minister of Agriculture. W. W. Sharpe, of Stettler and Mr. Eric Jamieson, of Alis, and also Mrs. Jamieson, were on hand for the day.

The first place visited was the home of Mr. Joe Biglands, about 4 miles west of Lacombe. Mr. Biglands has for years been one of the most prominent exhibitors of Shorthorns in Alberta, and has frequently won championships and also has, on numerous occasions, taken the highest priced animal to the cattle sales in Calgary. One of the secrets of the success of Mr. Biglands as a Shorthorn breeder was in evidence when his imported bull was led out. Mr. Durno, who is a master of Shorthorn Pedigrees, gave an outline of the breeding of this bull. He was considered one of the choicest bulls brought over by Messrs. Sharpe and Yule, and in Mr. Biglands' hands has been developed into an outstanding representative of the Shorthorn breed.

The next herd visited was that of Harry Magilton. Mr. Magilton brought out a large number of extra good breeding cows and also an outstanding herd sire. Mr. Magilton has always favored the reds and dark roans and his present bull is a dark roan. He also is an outstanding Shorthorn sire with long lines of the best Shorthorn blood in his pedigree. A son of this bull was the second highest priced bull at the Lacombe Bull Sale on June 8th.

The next farm visited was that of Mr. John Laing at Blackfalds. Mr. Laing is a Scotchman and a lover of Scotch Shorthorns. He brought out a large herd of females in wonderfully good condition and also showed an outstanding red Shorthorn bull and a number of his progeny, which are being fitted for the next Spring's Calgary Bull Sale.

The fourth herd visited was that of Dr. P. R. Talbot. This is one of the oldest Shorthorn herds in Alberta and his present sire is the 13th bull which has been used in the herd. Senator Talbot, who established this herd, was very careful in his selection of sires and built his herd on a few of the outstanding families of the breed. At present the herd includes some of the finest individual Shorthorn cows in Canada. Most of these cows are of the Engle Lady Family. The present herd sire, though not of recently imported blood, has in his pedigree several of the most noted herd sires ever used in Canada.

Leaving Dr. Talbot's farm the party, which numbered about 125, Shorthorn breeders and their wives and friends, drove to the Experimental Station where a picnic lunch was provided. After the lunch a few very brief addresses were given by Mr. Angus McDougall, the low scores being an invitation to the Northern Alberta Shorthorn Field Day to be held on June 9th. Other speakers were Dean Brown, H. A. Craig, Mr. Cooke and W. W. Carlyle. About half an hour was spent in looking over the large number of well bred Shires and Clydesdales, including 3 good young Clydesdale stallions which are now at the Station. One pleasing feature of the horses was 9 young foals which, together with their dams, made a very attractive exhibit. Mr. Wilson gave a brief talk on the Holstein herd at the Station, which includes some very fine individuals. The two Aberdeen-Angus herd sires were brought out for inspection, and some of the progeny.

Leaving the Station the party drove to the farm of Mr. J. L. Walters, south of Olive. Mr. Walters is the largest breeder of Shorthorns in Canada and has at his home farm about 300 head and another 100 head at his ranch. The visitors were greatly surprised at the large number and wonderful quality of the cattle brought out for display by Mr. Walters and his sons. One very interesting feature was a group of 25 or 30 of his best cows, all of which were calves at foot. Mr. Walters is fitting a few of his very best females for exhibition at Toronto and Chicago, and brought out a number of yearling and 2-year-old heifers, all of them in ideal show condition. Perhaps the outstanding feature of Mr. Walters' large herd, was the wonderful herd sire. This is a very large bull, quite the largest seen during the day, and in the opinion of the many Shorthorn men present, he

is probably one of the outstanding bulls in Canada.

The next visit was to the home of Mr. William Sharp of Olive. Mr. Sharp is one of the oldest and best known breeders of Shorthorns in Alberta and also is a well known Judge of Shorthorns. Although his herd is much smaller than that of Mr. Walters, it contains a number of outstanding individuals and also is headed by an extra good herd sire. Mr. Sharp has always used the best herd sires which it was possible for him to buy.

"Greenbank", the home of Mr. Henry Trame, was the next place visited. Mr. Trame is one of the younger breeders of Shorthorns in Alberta, but has built up a very uniform herd. This is particularly evident among his calves and yearlings. Credit for these must be given to his outstanding herd sire, a big, light roan bull of outstanding quality.

The last visited was that of Mr. P. A. Switzer, one of Alberta's two first Master Farmers. Mr. Switzer maintains a herd of about 100 Shorthorns and his herd quite lived up to its reputation as one of the best in the province. For several years Mr. Switzer has been among the top in the average price received for his Shorthorn bulls at the Calgary Bull Sale. He is now fitting a group of 23 bulls which give every promise of bringing the highest average at next spring's Bull Sale. The secret of Mr. Switzer's success was seen in his large herd of breeding cows and his good young herd sire, Mr. Switzer is another breeder who has built his herd by the use of the very best sires which he could procure.

At the close of the visit to these 8 outstanding herds, Mr. J. W. Durno and Mr. W. L. Carlyle both made the statement that nowhere else in Canada could an equal number of pure bred herds of any breed be found in as close a radius to one point as these herds in the Lacombe district. They also stated that nowhere else in Canada could 8 Shorthorn sires of such outstanding merit in breeding and individuality be found in one district. Mr. F. H. Reed, who had acted as Chairman of the day's program, made the remark that in addition to these 8 outstanding Shorthorn herds which had been visited, there were a number of other first class herds which include the herds of Mr. W. W. Sharpe, of Stettler, and the Dual Purpose Shorthorn herd of Mr. Jamieson, of Alis. Mr. Reed also stated that in addition to the Shorthorn herds in the Lacombe district there were three of the largest and finest Aberdeen-Angus herds in Canada, and three herds of Herefords and also a number of good herds of dairy cattle.

Districts Golf Association

In the summer of 1926 the Calgary Herald brought sixteen golfers from widely separated parts of the province to Calgary where they competed in a three-day tournament for the Herald Trophy. At the conclusion of this tournament the Alberta Country Districts Golf Association was organized. Each year the Herald has brought the district winners to Calgary and has also donated a beautiful trophy each year to the winner. The fact that the association has grown from a beginning of sixteen members to the present sixty-five clubs with a membership of over twelve hundred players is in a large measure due to the splendid support and unselfish interest of the Herald.

There are now sixteen districts, Lacombe, Red Deer, Innisfail and Didsbury being district No. 7, with A. Belcher, Convenor. The playoffs are now taking place. The first round was at Didsbury on the 21st, May, Dr. Wagner of Innisfail turning in the low score of 72, with L. Welliver, of Red Deer 73. On the 7th instant the second round was played over the Lacombe Golf and Country Club course, the low scores being L. Welliver, Red Deer, 76; Dr. Wagner and G. T. Jackson 79 each. This places L. Welliver two strokes ahead of Dr. Wagner. The feature of the game here was a hole-in-one made by G. T. Jackson. On the 14th the third round will be played at Innisfail and on the 21st at Red Deer. The District winners go to Calgary for the finals which will be played on July 24, 25, 26, over the Calgary Golf and Country Club course. The champion of the Association will represent the Association at the Alberta Championship as the guest of the Association and he will also represent the Association at the Banff tournament as the guest of the Canadian Pacific Railway.

A CLOSE CALL
A gasoline explosion in the premises of the Rainbow Dye, Bakery Building, Barnett Ave., Monday afternoon, started a lively fire, and had it not been for the very prompt arrival of the fire brigade, a conflagration of large size would have resulted. Bert Jirsch was washing clothes in the gasoline machine, when in some manner, possibly from a spark from the motor, the furnace ignited, and the explosion followed. The operator was slightly burned about the arms and face, fortunately not seriously.

GOLF NOTES
There will be a Golf and Veranda Bridge Tea on Friday, June 12th. Hostesses for the tea are Mrs. D. F. Locke, Mrs. P. C. Owen, Mrs. Jack Russell and Miss Leslie Chisholm. The ladies find they have room for

a sixth table of bridge. Anyone interested please Mrs. Morrison. There will also be a B.C. tea held on Wednesday, June 17th. Everybody welcome. A mixed two-ball foursome will be played.

Clive Tuesday, 10th, 8 p.m.
Sunday, June 27th
Annual Picnic for the Sunday School and Parishioners. This will probably be held at Aspen Beach. Sunday, June 28th.

The Bishop will be (D.V.) at Rimby at 11:30 a.m., and also at Olive at 4 p.m.

Tuesday, June 30, Saturday, July 4th
The 75th Annual Diocesan Summer School will be held at Banff. Are you going? Please register now through the Rector.

SUICIDES AT EDMONTON
The following dispatch may refer to a gentleman well known in Lacombe a few years ago:
EDMONTON, June 8.—Believed to be R. A. Bowness, a man jumped off the bank of the Saskatchewan river, just east of the low level bridge, at 1:30 p.m., on Sunday and was drowned.

In spite of a thorough dragging for the river in the vicinity, the body had not been recovered until a late hour on Sunday.

Belief that the suicide was Bowness was the result of a letter found near the point at which the man jumped from the dock.

It was written at the Paritan Cafe, 97 street, and addressed to Police Chief A. G. Shute. It explained that the writer was not insane and had not been drinking, and that the act was premeditated.

NEW CHURCH AT MEADOWBROOK
Sunday, June 7th was a red-letter day in history of Meadowbrook, for on that day was dedicated the 'New United Church. The Church is situated on a Hudson Bay Quarter, about 12 miles North and 8 miles West of Lacombe. The building is 24x36, a splendid structure, nicely painted on the outside and an ornament to the Community. The inside is not completed yet, but will be a little later on. The Ladies' Aid has been collecting money for years with a Church in view. This with a small grant from Home Mission Board of the United Church, has paid for everything up-to-date. Rev. M. L. Wright of Morningdale is the Pastor and conducted the service. Rev. Thos. Gifford, D.D., of Calgary, Sept. of Missions, preached and dedicated the Church. Special music was provided by Mrs. M. L. Wright and Mrs. Robt. Kinley. The Annual Picnic will be held at the church grounds on July 1st when the people hope to raise some money for inside finishing.

ST. ANDREW'S LADIES' GUILD
At the regular meeting of the Ladies' Guild of St. Andrew's United Church, held at the home of Mrs. F. E. McLeod, meetings were withdrawn for the months of July and August.

A number of women, in an encouraging, considering present conditions. The usual request for bazaar work has been replaced by anniversary cards, which if used as directed will supply, in an easy way, the funds needed in the fall for the bazaar. It was agreed that during the summer shut-ins and sick ones should receive kindly attentions, and that the pleasant vacation period may be made more thoroughly satisfactory by the exercise of loyalty to the church and the spirit of kindness and good will in opportune ways.

CANADIAN LEGION MEETING
There will be a general meeting of the Canadian Legion on Thursday, June 18th, at 8:30, in the Town Hall. All ex-service men are urgently requested to be present as business of the greatest importance is to be placed before the meeting.

MRS. GEORGE HUTCHISON DEAD
The many friends of Ethel J. Hutchison, beloved wife of George Hutchison of Lacombe, were grieved to hear of her demise on Saturday, June 6th. Mrs. Hutchison came to Lacombe twenty-two years ago with her parents, Mr. and Mrs. G. A. Whitelaw, and with but two year's absence during which time she was at the coast, she has made her home in this locality. She was born in Guelph, Ontario, and while quite young moved with her parents to Brandon, Manitoba, from which place the family moved to Lacombe. Mrs. Hutchison was married in Vancouver, in March 1921, and returned to Lacombe after two years absence. She was 36 years of age at the time of her death. She leaves to her husband, her father, one brother, Norman T. Whitelaw, of Lacombe; and one sister, Mrs. W. W. Oliver, of Medicine Hat; two daughters, Annie, aged 15; Margaret, aged 6; two sons, Bobbie, aged 8 and her infant son, George Thomas.

MAY BE SOMETHING IN IT
Victoria, B.C., June 8.—The age-old art of water diving, often doubted by the sceptical but credited with some remarkable water discoveries, is being employed by the provincial government this year in an effort to locate wells for the farmers of the Okanagan Valley, the central interior and the Peace River district.

Miss M. E. Penrose, an English woman, who claims extraordinary powers, is being employed by the government to tour these districts and assist farmers in their search for water. She is in the Okanagan Valley now and will go to the country between Prince George and Prince Rupert later in the summer and then to Peace River district.

IT STARTS FRIDAY MORNING!

15 shots

Quick as a wink!

This little Stevens sure throws 'em straight and hard, whether you're sighting on a scurrying red squirrel or into a bull's-eye. And notice how smooth and easy she pumps! 15 shots, snappy as a trip-hammer. You can't beat the old reliable Loading for dead-eye accuracy, because the barrel's bored like every Stevens barrel—scrapped so smooth that the final cutting removes less than 1/1000 of an inch. That slow, palooking method gives an accuracy that no other gun can match. And the same care is given to every little detail of every Stevens gun—examine that handsome finish—get the perfect balance as you turn her up. A Stevens is right, from muzzle to butt plate. Finally—the price is right. So low as to be little short of amazing. Ask at your dealer's, or write us for full details of the Stevens line, rifles and shotguns.

Stevens "Visible Loading" is an accurate .22 caliber repeater. You know when it is loaded, you know when it is empty.

Gull Lake Is Booming

The Gull Lake season opened earlier this year than ever before, at the present time many families having cottages open for the summer months. Mr. Aude, the proprietor of the new hotel is making extensive improvements to his property, and will have ample accommodation for week-enders available. They report that already bookings for July and August are being received, and expect that their available rooms will be taken before the end of the month. They will have their restaurant and lunch counter open in a few days, and will be able to provide travellers with meals at all hours.

Mrs. MacDonald, of the MacDonald Resort, has a gang of men at work redecorating her house. She will have the building fitted up in suites, which may be rented by the week or month, and the guests will have the use of a community kitchen. Those who do not want to do their own cooking may procure their meals in the public dining room, which will be under the care of a competent chef.

Mrs. George Fernie is already getting her stock in for the summer, and aims to provide cottagers with all needed groceries, milk, wood, etc. Ice will also be delivered daily.

Otto Woellner is also ready for the summer trade. He is putting in a larger stock of groceries than ever this season, and will also have fresh fruit for sale daily. He will also have a good supply of wood and ice on hand.

Frank Cox intends to have his store open in a few days, and will carry a full line of groceries, confectionery, etc.

Extensive improvements are under way at the Government Park. Bathing houses for men and women have been established, and community kitchens for the accommodation of tourists are now opened and furnished.

A well is being drilled on the park site, where a supply of good water can be obtained. The development of the Park is progressing, the Lacombe Nurseries setting out trees and getting the picnic grounds into shape, and the lake front is being underbrushed and cleaned up under the supervision of the caretaker.

At the south end of the lake, Louise Ebeling has his store already running full blast, and every day sees more and more people availing themselves of the accommodation provided at his beautiful camp. He has tables and benches scattered in the shade of the trees, all free to picnickers. You can procure everything you need at his store; groceries, vegetables, milk, fresh eggs, wood and ice. On Sundays great crowds gather at this park, and sports of various kinds are engaged in. There is a splendid bathing beach with bathing houses for those who want them.

Mr. Ebeling is arranging a series of ball games for every Sunday throughout the summer, and this will draw large crowds from the surrounding country. He has laid out a splendid ball diamond on the beach in front of his park and later on will provide tennis courts, etc. Next Sunday the first ball game will be held at 2:30 in the afternoon, when Mirror and Alix nine will try conclusions. There is no charge for these games.

Those wishing to spend an enjoyable holiday, can not do better than visit Gull Lake—Alberta's Premier Summer Resort.

The swimming and general water sports gala to be held on July 25th will attract thousands to Gull Lake. There will be camera men from the various film companies. In an interview with a representative of the Alberta Swimming Association, we were told that the Pathe News film company would take motion pictures at the gala.

MEADOWBROOK

Ladies please remember the meeting at the home of Mrs. Wm. E. Erickson this Saturday afternoon. The annual picnic will be held July 1st.

James Eadie of Rimby was visiting friends in this district last week. The Social Evening Club met at the home of Mr. and Mrs. John Sauve last Wednesday evening. A pleasant evening was enjoyed. Next meeting to be held at the home of Mr. and Mrs. Farnham on July 1st. The annual picnic will be held on July 10th at Chris Anderson's.

Mike Kolesky left last Monday for Edmonton to obtain a position. The painting he finished painting the church last Saturday evening, the paint being donated by the T. Eaton Co. We wish to thank everyone who helped to get the Church ready for Sunday.

Mrs. Chris. Huseby has returned home after visiting her parents at Innisfail.

A large attendance enjoyed the dedication service rendered by Rev. Dr. Powell, of Calgary, held in the Meadowbrook church.

We hope to see a large congregation at that every preaching Sunday.

Messrs. Geo. and Donald Plaster and Kenneth Ford of New Norway visited Mr. and Mrs. Herbert Long last Wednesday and Thursday, then motored on to Calgary and Banff.

M. D. Crown

Lacombe, Alta., May 9, 1931

The council of the above district met in the Municipal Office, there being present—Councillors Sissons, Huestheuser, Parker, Hand, Hall and Stewart.

The Secretary then read the minutes of the meetings of April 10th and 28th and it was moved by Hall that they be adopted as read.

Parker: That the Secretary deal with Mr. Sinclair of the Soldier Settlement Board, with regard to land taken of S.E. 35-41-25-4.

Sissons: That Hall deal with J. M. Williams regarding the rent of S.W. 54-1-23-4.

Hall: That Mrs. Robertson be paid \$14.00 in cash per month.

Hall: That frontage tax of Town of Lacombe, for office be referred to the solicitor.

Sissons: That this council will pay \$100.00 for crossing when diversion has been built in Sec. 2-35-25-4.

Mrs. Slaughter interviewed the council regarding a grant to the Bentley cemetery. It was put before the council and the Secretary was instructed to write Mrs. Slaughter that this council considered that the Bentley cemetery should take the first steps.

Huestheuser: That Weed Inspector's salary be \$7.50 per day, duties to commence June 1st, and not exceeding ninety days, inspector to keep a diary of his activities.

Councillor Hall nominated K. L. Dane for the position of Weed Inspector, and Councillor Stewart nominated R. M. Gibson. A vote was taken, Gibson being elected; Hall and Huestheuser against.

Parker: That this council hire J. J. Kasha to run the grading outfit. Carried.

Parker: That the "Form B" be passed as follows: Div. 1, \$2070.00; Div. 2, \$2000.00 and \$1000.00; Div. 3, \$3,000.00; Division 4, \$3500.00; Div. 5, \$2723.00; Div. 6, \$3325.00.

Stewart: That the following accounts be passed and the Secretary instructed to pay same:

Imperial Lumber	\$3.83
Ferguson Supply	21.00
Palp Quick Print	17.00
Telephone	3.25
Calgary Power	1.50
Salvation Army	5.00

D. G. Latta	78.68
T. Eaton	25.00
Richardson Mach. Co.	6.50
Laird Motors	7.55
Dobertstein	162.85
Peace River Tractor	71.76
Burroughs Adding Mach.	7.40
A. M. Campbell	\$112.83
J. L. Friswell	45.35
Mother's Allowance	54.50
Canada Tractor	67.85
Dr. Hynes	150.00
D. W. Wilson	29.85
A. Gilmour	24.15
Imperial Oil	173.08
V. Alrus	11.00
Mrs. Robertson	15.00
Registrar	75.00
Sundries	89.09
Parker: That the payment, C.E. \$490.12 be passed and the Secretary instructed to pay same. Also, Road dragging time sheets Division A., \$21.30 and Division F., \$36.20.	

Hall: That the meeting adjourn.

THE CONTROL OF MOTOR TRAFFIC

Premier Henry of Ontario in a recent address declared that if automobile traffic fatalities continue at the present rate in his province steps will be taken to order that all cars using Ontario roads must be brought down to the regulation speed. He attributes most of the highway slaughter to the violation of speed laws. In his opinion ninety per cent. of auto accidents are due to speeding and cutting in. Last year over five hundred deaths were caused by automobile traffic in Ontario, alone, and an equally bad record is anticipated this season.

In proposing to plan to gear down automobiles so that they cannot travel as fast as the regulation rate, the Ontario premier is running counter to opinion in England and in some states across the border which are abolishing speed limitation. He seems to be confusing fast driving with reckless driving, and there is a world of difference. Under certain circumstances a speed of sixty miles an hour may be quite safe, and in fact the slow driver is a menace where traffic is dense and the go-ahead signal is set. He merely adds to the confusion and confusion, and creates difficulty for the alert and competent driver.

The paramount necessity in the enforcement of traffic regulations today is severe punishment for reckless or incompetent driving. The cut-in motorist and all other drivers who imperil lives on the streets and highways should be severely dealt with. Suspension of license for a lengthy period has been found most satisfactory, and a term in prison in every case where criminal carelessness is proven would put a stop to much of the evil complained of by Premier Henry. It would seem that he is approaching the problem from the wrong angle.

REWARDS AND POSTMASTERS

According to a reply given in the House of Commons last week by the Postmaster-General, a total of 1160 postmasters were dismissed in the eight and a half years between January 1, 1922, and August 4, 1930.

Of these, Mr. Savage stated, 394 were in Quebec, 297 in Nova Scotia, 163 in New Brunswick, 124 in Ontario, 72 in Saskatchewan, 58 in Alberta, 49 in Manitoba, 22 in British Columbia and 11 in Prince Edward Island.

The period referred to was one of Liberal administration and the questioner was Mr. Samuel Gobeil, Conservative member for Compton. It is evident that the question had something to do with political patronage. Unfortunately, as is the case with so many questions asked at Ottawa, only half the story was told. Other questions—difficult to answer except by questioning in the House of Commons—occur to the average man who reads this bald statement of fact in the newspaper. How many postmasters were dismissed in the Conservative regime prior to 1922? How many have been dismissed since the last general election? Of the 1160 mentioned how many were dismissed for evidence of inefficiency?

Periodically allegations of political patronage—especially in the post office department—are made in the House of Commons. There is a short flurry. Bitter words are exchanged. Opposing members become very indignant, and then the entire question is heard of no more. The people are precisely where they were before, except that they are a little more convinced of the existence of an extensive system of political patronage in Canada.

How extensive it is, one cannot tell, but that it does exist can hardly be doubted, for occasional cases arise to set doubts at rest. Perhaps neither party is to blame. It is difficult to judge the justification or not of dismissal of employees who were placed in office mainly because of their political affiliation with a previous administration. That is the insidious thing about this type of bribery.

It is, nevertheless, a blot upon the Canadian parliamentary system. Perhaps some day a party will emerge which is sufficiently strong to take action against this minor form of political corruption.

A. M. CAMPBELL'S

Wedding Bells at Blackfalds

On Wednesday, June 3rd, a pretty wedding was solemnized at the home of Mr. and Mrs. Richard W. Blackmore, Blackfalds, when their daughter Freda Anna became the bride of Mr. John Bell. To the strains of Lohengrin's Wedding March, played by Mrs. R. B. Layton, the bride entered the room on the arm of her father who gave her in marriage. Gowned in white crepe with a long flowing veil arranged by her grandmother, Mrs. W. D. Gibbons, and carrying a bouquet of orange blossoms, the bride made a charming picture. She was attended by Ruth Miller as bridesmaid and the groom was supported by Mr. Virgil Blackmore, a cousin of the bride. Eugene Jones and Ella Maude Miller, also cousins, were flower girls and Laura Gibbons was ring bearer. Rev. R. B. Layton performed the wedding ceremony. The rooms and table appointments were prettily decorated, having pink and white as the central color scheme. Waitresses were Annie Miller, Jannette Darroch, Margaret Darroch, Sybil Graves. After a short wedding trip, the young couple will take up their residence in the Lacombe district.

School Notes

The Grade VII and VIII rooms hiked out to the "Canyon", Saturday, having a banner time. The other public school rooms had made similar excursions the past weeks. Give public school boys met our base-batters Friday evening. A number of the high school students picked at Gull Lake on Saturday. Walter Dwan was chaffer, Elgin Thompson, assistant with Murray and Edward McMullen as pilots. The participants were: Elmore Scorgie, Edith Thompson, Maxine Fitzpatrick, Margaret Aldwinckle, Hazel McDermott, Annie Halpin, Claude Halpin, Joy Reeves, Eleanor Belcher, Jeanne Belcher, Bill Belcher, Mae Dwan, Muriel Graydon, Iris Trimble.

At the Avalon

Thursday, Friday and Saturday "LOVE IN THE ROUGH" You're going to like it even if a masochist rubick means no more to you than a water hazard. Robert Montgomery, Dorothy Jordan, Benny Rubin and J. C. Nugent are medalists in a big cast. This delightful foursome breaks par for thrills.

genuine comedy and general enjoyment.

You'll cheer for Montgomery when he slams the ball down the fairway—when he sinks a difficult putt—and by the time he defeats the club champion for the girl and title, you'll admit it's a great picture.

There are also beautiful country club settings, seven new songs and music furnished by Earl Burnett's Hotel Baltimore orchestra. Knowing nothing about golf will not interfere in the least with your complete enjoyment of the picture—the game, after all, being only incidental to the drama. While, if you are a golfer, there are parts in the picture as thrilling as a regular championship match.

Comedy, "Ladies Last," Coming: "Not Exactly Gentlemen," June 18, 19, 20. "Big Trail," June 25, 26, 27.

HARD ON POSTMASTERS

Ottawa. A total of 1,160 postmasters were dismissed in the eight and a half years from January 1, 1922, to August 4, 1930, according to a reply on Thursday by Hon. Arthur Sauve, postmaster-general. The question was asked by Samuel Gobell, (Cons., Compton).

The year 1927 saw the "axe" fall more heavily than in any other year when 378 postmasters were dismissed. By provinces the record shows Quebec with the largest number—394.

Other provinces in order are: Nova Scotia, 267; New Brunswick, 163; Ontario, 124; Saskatchewan, 72; Alberta, 68; Manitoba, 40; British Columbia, 22; P.E. Island, 11.

LOOKS LIKE POOR EXCHANGE

During 1930 United States manufactures shipped over \$42,000,000 worth of agricultural machinery to Russia. Official figures show that the bulk of the shipments consisted of tractors and other harvesting machinery and included were 14,000 combines. During the first quarter of the year \$32,000,000 worth of tractors, parts and combines and other farm machinery has been sent to Russia.

On the reverse side of the picture is the 275,000,000 bushels of unsold wheat carried by the United States Farm Board. It is unsold largely because of the vast quantities of Russian wheat dumped on the world market during the past ten months. The Farm Board holds wheat purchased all the way from \$1.25 to sixty-five cents a bushel, and it is estimated that the Farm Board's operations designed to keep up the price of wheat will cost the United States in the neighborhood of \$300,000,000. The sale of agricultural products and the loan of skilled engineering

brains to help carry out the Russian Five Year Plan looks like a poor national bargain so far.

Sweet's Pharmacy

U.S. CONSIDERS WHEAT
SUBSIDY

Washington, D.C.—Officials of the Federal Farm Board and the department of agriculture were silent as the grave Wednesday when asked concerning the announcement in the Canadian budget about absorbing by the government of five cents a bushel on the cost of transporting export wheat.

It was said at the Federal Farm Board this was another argument in favor of acreage reduction. The Canadian action was interpreted here as meaning Dominion exporters this year might lay down their wheat in Liverpool at five cents a bushel less than their United States competitors.

In the immediate view of officials, there was nothing the United States government could do about this. If the railways of the United States would agree to lower their rates on wheat, the Canadian position would be met, but there would appear to be little prospect of this event considering the fact the railways have lately been agitating for an increase in freight rates.

LACOMBE BOY TELLS OF BULL FIGHTS

Calgary.—The cruelties of the Mexican bull-fights a common amusement in that country, and scenes of a typical Mexican "market day" featured the films shown by Stafford Boyd, a Gryo club member who recently spent some time South of the Rio Grande, at the regular luncheon meeting of the Gryo Club in the

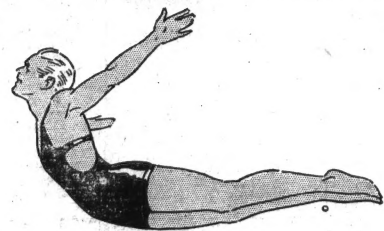

Pelisser Hotel, Wednesday. "The unfortunate part about these bull-fights is that three or four good horses are usually gored to death by the furious animals," Mr. Boyd declared.

He also showed the members one of the darts which are stuck into the bull's hide and to which bright-colored ribbon is attached. The films also showed the attendants on horseback, and the attacks of the infuriated bull on the mounts. They also showed the quickness of the attendants whose duty it was to shake a red cloth in front of the already infuriated animals head. "Hair breadth" escapes of these men from the animal's long horns appeared from the film to be almost miraculous.

MURDERS FEARED IN TWO STRANGE DEATH IN WEST

Winnipeg, Man., Two mystery deaths are under probe of Winnipeg and St. Boniface police Wednesday, and authorities believed both men to have been murdered. Daniel McLean, 54, died in hospital Saturday, but 1 to have been a victim of alcoholic poisoning. Vincent Starr, an expert revolver shot was found dead, his body hanging over a wire fence, in a field near St. Boniface last week.

At the inquest into the death of McLean, it was revealed that his body had been burned sufficiently to cause death. It took as if acid had been thrown over his body.

When the body of Starr was located the death-gun could not be found. After a diligent search, St. Boniface police discovered it hidden in a hole covered with grass. It was found 50 feet from where the body was taken from the fence. Starr was shot through the brain and must have met instantaneous death. The theory was advanced Wednesday that he had been slain by a hold-up man. He was known to have carried a large sum of money, but only a \$2 bill was found in his notebook.

FAMED SCHOLAR SENTENCED
Edmonton.—Bachelor of Arts, holder of the Governor-General's gold medal, author of a thesis on responsible government, ex-professor of English and oratory, John Hugh McDougall, alias John McNeill, alias Preston Harrison Galley was sentenced to four years in Prince Albert penitentiary when convicted of theft by Mr. Justice Boyle in Supreme Criminal Court Friday.

At a Conservative meeting in Victoria not long ago, the suggestion was made that the British Columbia Legislature membership should be reduced from forty-eight to twenty. What about the Alberta Legislature which has a membership of 63?
